TURKISH DELIGHT ANTALYA & PAMMUKALE 4 Nights / 5 Days

Weather In ANTALYA

The average high in Antalya is 15- 18°C in March, which is perfectly warm enough for you to relax on the beach so take some sun cream. Things can get chilly in the evenings though, cooling to 5-7°C. The sea temperature is 15 to 17 °C, while humidity's low.

March to May (Spring) and October to November (Autumn) is one of the best time to visit Antalya. Owing to its Mediterranean climate, the region has hot, dry summers and wet, humid winters. Hence spring and Autumn months, although the shoulder season, is a good time to visit Antalya. Summers are hot and humid and the shoulder months are cooler.
